Jim Frizzell is out of the hospital and *has been moved to Rehab on Narrow Lane Road. He is trying to rebuild his strength so he can have the heart cath. Our prayers are with you, Jim!!*

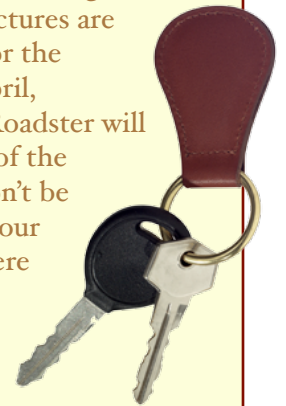

Mike Hall has a BAD back problem.....among others. We pray he is doing better without surgery! Marie says he's really a pain in the lower-lower back! We love you, Mike! Julie says Mike is on steroids! Hmmmmm!

Harvey needs Baseball Caps! His church has a mission trip going to Brazil end of may. Caps of any size, color or shape as long as there is nothing offensive on the front of them. Any caps would be appreciated.

Bryant W is still trying to sell or trade the roadster!

What I'm leading up to is the "Car of the Month" page on our new web page. Originally, we were going to put the Flip's car of the month on there. However, we decided (Bob and I) that we wouldn't do that advertising for Flip's, that we would feature our own cars. The cars will be picked at random (according to which computer I am using, and which car pictures are on it). So, for the month of April, Bryant's 32 Roadster will be our "Car of the Month". Don't be offended if your car is not there this month, because it will be at some point.

THIS AND THAT

Conflicts: Harvey & Marie won't make Nocalula again this year. Granny's 90th birthday and family reunion will be in St. Louis.

Abrams - Mopar 32 Roadster almost 100%. Are they ever????

Stockton's - Garage almost completed. Looking good -- the garage, that is!

Heart of Dixie Mustang Club - Will set a date with Adullam House and let us know. Most likely towards the end of May. Hope we will have a free Saturday then.

THIS AND THAT - CONTINUED

Lisa McLain and Marie are working on a plan for the quilt raffle. Save your money so you can buy lots of raffle tickets. Most likely, it will run from May - the drawing at our August (Elvis) cruise-in. Watch for info on that!

The new web page is almost finished. Will keep you advised of the unveiling date. Some of you have received a birthday wish from the club.....that is connected to our new web page. We can wish every one a happy birthday. You will need to check the web page when it is up and running to make sure all of your info is correct. If there is anything you do not want on the web page , e-mail Marie and it will be removed. The same goes for corrections.

Bob S. would like to thank the club for the warm reception and the great feed-back on the new web page. Thanks for the plaque and honorary membership.

Coopers sold a car, then bought another, in a matter of minutes.....are you trying to keep up with Benny M?

Benny M - needs a 12 foot ladder!! Just to get in the driver's seat of a new purchase or trade?????

Jewell P. changed her birthday. She decided she didn't like March 17, so she changed it to the 21st. Hope it was happy! Is she really 54????

Larry S - says his newest vehicle isn't on

If you should happen to have something you want added to the web page under Events, Skid Marks, Product recommendations, or any of the other categories, please send Marie an e-mail. If you find an extraordinary wax or oil, let's share the name with others. If you find something that doesn't work well.....let's share that too.

I hope everyone will use the new web site and we can make it work well for all of us. I will let you know when it is up and running.

If you have not paid your dues, your name will be coming off the roster. March 31 is the deadline. Hope you have sent your money to Don Heacock.

the road.

Grandpa and Buddy - the boy, Wesley, will not forgive you for him missing a club meeting.

Doris M - Yes, when you get honked at, they are most likely from church, the car club or else YOU are blocking traffic!

David & Lisa M - Still have to return engine to car.....but they are getting to the cruise-in's as civilians. They are setting a great example.
